SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT
UNDER 37 C.F.R. § 1.97(c)

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(c), Applicants bring to the attention of the Examiner the documents on the attached listing. This Information Disclosure Statement is being filed after the events recited in Section 1.97(b) but, to the undersigned's knowledge, before the mailing date of either a Final action, Quayle action, or a Notice of Allowance. Under the provisions of 37 C.F.R. § 1.97(c), this Information Disclosure

Statement is accompanied by authorization to charge the fee of \$180.00 as specified by Section 1.17(p), to Deposit Account No. 06-0916.

Each document listed in this Information Disclosure Statement was first cited in a communication from the Japanese Patent Office in a counterpart foreign application.

Copies of the listed foreign and non-patent literature documents are attached. English language translations, summaries or abstracts of most of the non-English documents are attached to each respective reference. Additionally, no English language translations or abstracts are available for two of the cited references, C1 and C6 on the attached form PTO/SB/08. In lieu of a statement of relevance or translation of the these references, English language versions of two office actions from the Japanese Patent Office in two of the corresponding applications citing these references and setting forth the relevance thereof are enclosed.

Applicants respectfully request that the Examiner consider the listed documents and indicate that they were considered by making appropriate notations on the attached form.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claims in the application and Applicants determine that the cited documents do not constitute "prior art" under United States law, Applicants reserve the right to present to the office the relevant facts and law regarding the appropriate status of such documents.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

Please charge the fee of \$180.00 to our Deposit Account No. 06-0916. Please grant any extensions of time required to enter this Information Disclosure Statement and charge any additional required fees to our deposit account 06-0916.

Respectfully submitted,
